

## Hose nozzle / bulkhead fitting

Hose nozzle for installation of the media hoses. The media hose is pushed onto the plug-in nipple as far as the stop and is self-locking. There is no need for an additional hose clip for applications up to max. operating pressure of the media hoses.

Type	Order no.	Thread connection	Hose connection	Version	PU pce.	Remarks
Hose nozzle M12-G1/4	82929090	M12x1.5	G 1/4 "	straight	10	ÜM
Hose nozzle M14-G3/8	82929000	M14x1.5	G 3/8 "	straight	10	ÜM
